KAWTHOOLEI ARMY

KAWTHOOLEI ARMY

Date- 14. 6. 2023

Commemoration day of the 74th KawThooLei State Day at Major General Saw Nerdah Bo Mya gave a speech to the KawThooLei peoples and comrades.

There were Karen National KawThooLei State and the older leader designated since 14th of Jun 1949 as Commemoration Day.

In accordance with the framework established by the leaders, our KawThooLei Army will follow and try until we see an independent KawThooLei State.

We will try. To be seen as an independent state, the military dictatorship must be defeated.

Therefore, we, as the KawThooLei Army and all ethnic armed organizations, together with the public, we will fight until the military council is eradicated.

Defeated to win the victory to the goal of success
